ALCOHOL CONTENT

14,00% vol

TOTAL ACIDITY

4,5 g/L

ESTIMATED DURATION OF WINE

6 - 7 years

TASTING NOTES

The color is yellow straw. The aroma is full and fruity, reminiscent of citrus fruits including the peach of grape fruit and rose, apple and ripe peach, slowly giving way to hints of almond typical of Friulano, well mixed with the mineral characteristics conferred by the terroir.

On the palate freshness, length and persistence of sensations are highlighted. The mineral notes make it great to drink.

It is a Friulano with great structure and personality, worthy representative of the region.
